CAMP BALDWIN E-X-P-A-N-S-I-O-N

I am excited about the new building expansion at Camp Baldwin. Director, David Payne, and our Camp Committee are doing an excellent job! Assistant Director, Gil Johnson, shares the following details:

Camp Baldwin's newest building project is an addition onto the west wing of Magnolia Hall. It will be a great gathering space for motel guests during the fall, winter and spring with a large covered porch facing beautiful Wolf Bay and a wood burning fireplace for cool nights. The covered porch features incredible wood ceilings, recessed lighting and 2 large ceiling fans. The wood ceiling continues inside where the room will be set up with couches and chairs for comfortable seating and times of fellowship with other guests. It also includes 2 restrooms and a kitchenette with a refrigerator, sink, microwave and coffee maker. During summer months, the room will be used as a much-needed additional meeting space for youth and children's groups; the couches and chairs will be stored and replaced with stackable chairs for groups with up to 75 campers.

This project was started this Spring with work being done by volunteers from Alabama Campers On Mission, SOWERS and Extreme Ministries. We are now seeking individuals or groups of volunteers to help us complete the project during April and May so that it can start being used by church groups in June.

Also, we are in need of cushioned stacking chairs in good condition to use in this room and other meeting spaces at Camp Baldwin. If someone would like to volunteer with this project or to donate chairs, please contact our camp office at [\(251\) 987-5100](tel:2519875100). Thanks!

Thanks to all of those who are a part of the ministry through Camp Baldwin!
