GREATER ORLANDO BAPTIST ASSOCIATION

Pastors Harvey Earls, Richard Harvey and I will be meeting for a day with Tom Cheyney, Director of Missions for the Greater Orlando Florida Baptist Association. This association has experienced incredible church revitalization, church health and growth as well as planting many new churches in an expanding population. I had the privilege of serving in this association many years ago.

We will be studying some of the approaches that God has used there as well as receiving a number of resources. This will be a day of exploring new ideas as well as expanding resources to our churches in the days ahead. Please pray that God will use this time for His purposes and glory.

*Rick Ellison*

excellent or praiseworthy, think on such things. Philippians 4:8*
