Prayer Walk Baldwin

Dr. Thomas Wright, the Director of Missions for Mobile Baptist Association, shared with our ministers this past year about our efforts to prayer walk every street and road in the Mobile area. We were challenged to begin to think about doing the same in Baldwin County beginning 2018. This comes from a passion to follow Christ's call to the work of the Great Commission. Prayer walking outside the walls of our churches helps us to focus on the needs of those in our communities. God will honor our sincere prayers and intervene in the lives of unbelievers and believers who are struggling. Dr. Wright shared of some divine encounters. Ordinary people who asked what they were doing while prayer walking and their lives were impacted for Christ.

A master map of the streets and roads kept at the associational office. Churches and individuals can sign up by contacting the associational office to choose which areas you will prayer walk. As you let us know what areas are prayer over we can pray for those not covered. We suggest you prayer walk in teams of 2 or 3 people. Some streets may be prayed for more than once. The maps will be available beginning in February. Other resources will be available.

Let us focus our attention beyond our church walls to a world who needs Jesus.
