Missions Opportunity New York City

I am looking at the probability of leading a mission's team to New York City during the first week of July. We want to partner with the Metropolitan New York City Baptist Association and approximately 22 million people live in this metro area. This coming year, our first trip would consist of a smaller team with hopes of growing the next trip. We are considering providing a small Vacation Bible School as well as some other projects such as painting inside a school.

At this point we are discovering who might be interested in such a mission's trip. The cost has not been determined and we have some lodging options. Currently there is no commitment or obligation but if you think you *might* be interested please email me at rick@baldwinbaptist.com.
