### Update from Louisiana from the AL State Board of Missions

In the aftermath of the flood: 13 people dead - 40,000 homes damaged - 30,000 people rescued!

As numerous teams of trained Alabama Baptist Disaster Relief volunteers continue to minister in flood-ravaged Louisiana, positive news continues to become known even among the devastation, reports Mark Wakefield, disaster relief, and chaplaincy ministry strategist.

A few recent highlights include:

- Team members of trained Alabama Disaster Relief have logged 400 volunteer days so far.
- Chaplains have reported more than 1,100 ministry contacts.
- Four professions of faith were made as a result, directly and indirectly, of contacts with Alabama Baptist Disaster Relief volunteers.

On Wednesday, as one of the Alabama Baptist chaplains shared the Gospel and a man prayed to receive Christ, several Oklahoma Baptists stopped what they were doing in order to intercede in prayer for the chaplain and the man.

Alabama Baptist churches and individuals may offer support for the effort by contributing online at <http://sbdr.org/louisianafloodrelief>. Contributions may also be sent by checks made payable to Alabama Baptist State Board of Missions, P.O. Box 11870, Montgomery, AL 36111, for "Louisiana Flood Relief." All contributions designated to "Louisiana Flood Relief" will be used entirely for the current disaster relief effort to help
