## BALDWIN BAPTIST WMU

I am extremely grateful for our Associational WMU Director, Angie Estes. She consistently exhibits the highest in Christian character and is giving extraordinary leadership to our Associational WMU. She is a true lady of God who loves her Savior, her church (New Life Baptist) and who serves Christ faithfully, even when leadership is difficult. I certainly have the highest respect for her as well as an appreciation for all that she does in missions for the cause of Christ. We are very fortunate to have her strong Christian leadership in Baldwin Baptist Association.

Ladies, I hope that you will invite Mrs. Estes to meet with your WMU group soon. She will be a tremendous asset as you continually develop your ministry. She is also a wonderful speaker and will motivate your women toward mission's involvement. She will be a friend to our WMU Directors and other leaders. She is a lady of prayer and has been an encouragement to our Associational leaders.

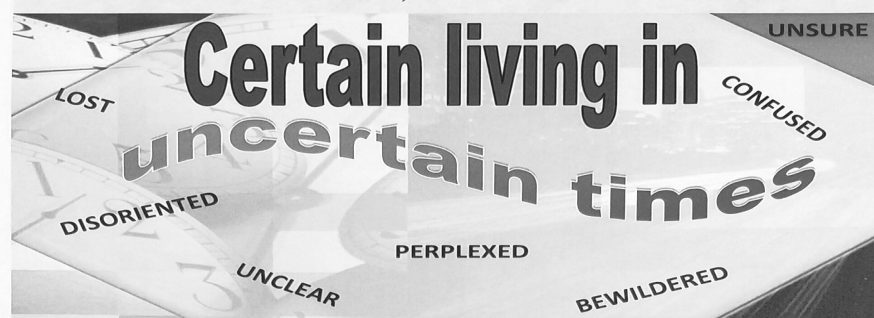

If you are starting an RA, GA or Missions Friends program, or if you have questions about these, her leadership team can help you. If you have questions about our Southern Baptist Mission Offerings, they can assist you, as well.

Brenda Harris is also available to speak to WMU groups in September and October. She is the national prayer coordinator for Kendrick Brothers Films and participated on the set of the movie, "War Room". Also, we are blessed to currently have two Southern Baptist International Missionaries in Baldwin County! If you are looking for a mission's speaker, please contact our office.

If we can be of help to you from the Associational office, please let us know. Thanks, again, for all you do and may God bless you.
