## DISASTER RELIEF

Storms dropped trillions of gallons of water on Louisiana in August. Catastrophic flooding submerged thousands of homes. Southern Baptist Disaster Relief is on site in flooded areas helping and ministering to people in many ways.

A feeding unit from Project Care of First Baptist Church, Robertsdale has been providing food there. Many from our Association donated food and other items. Our associational Disaster Relief team has been deployed and is helping with cleanup and other efforts in Louisiana. Please pray for these and other teams that are assisting people in desperate need.

Especially, please pray for those who have lost loved ones to death as a result of the flooding. Pray that God would surround each of these families with Christians who will comfort, encourage and help them.

*Rick Ellison*

These pictures show just a small portion of the many items YOU generously donated to Project Care as they prepared to take a feeding team to Louisiana.
