RESURRECTION POWER OF CHRIST

In my years as Director of Missions, I have seen several of the churches in our association go through challenging times. Some were faced with the possibility of eventually having to close their doors. I have walked with churches through these hard times.

Yet, on the other hand, I have seen the power of Christ at work revitalizing and strengthening His church for His mission. After all, these churches were born out of the heart and mind of Christ as He led His people to start them.

I am grateful to our pastors who have given spiritual leadership in these churches to bring about restoration and revival. I am grateful to the committed members who faithfully continued their support of the church even in difficult times.

How beautiful it is to see these churches come alive and accomplish Christ's mission. Let's celebrate all that God is doing this Easter season through His people.
