EASTER CELEBRATIONS AND WORSHIP

Easter Sunday is just ahead on April 21...

We look forward to celebrating the glorious resurrection of the Lord Jesus Christ in a special way during the Easter Season. We are reminded of the great price that Jesus paid in going to the cross for our sins. We are reminded of Christ's resurrection power and that He is at work in mighty and powerful ways all about us.

We are also reminded of our call to the Great Commission. All about us are people who need the Lord and if they were to die today would eternally be separated from Him. Easter is a time when many people are open to attending church. Are you praying about who you will invite to your church? Are you willing to go further and perhaps invite them to have a fellowship meal with your family? Are their family members who do not attend church but would attend your church if only you invited them? Have new people moved into your community? Make sure they know that they are invited to your church.

I am also encouraged by the fact that many of the churches in our association are cleaning and making their buildings the best possible as they receive new guests. If we invited someone to our home we would want them to have the best experience possible. Beyond that God deserves our very best.
