STRENGTHENING OUR CHURCHES GIVING GOD OUR BEST

A priority of the work of our association in the months ahead is to provide resources and hear from Godly men about strengthening the local church and ways to give God our best in all that we do. God is always at work but He calls on us to give Him our best in fulfilling the work of the Great Commission.

I always desire to sharpen my skills as your Director of Missions in being of assistance to our churches. I have served as a minister in the local church for many years and consulted churches in many areas while serving on our State Convention staff. By this reading, I will have traveled to the North American Mission Board in Atlanta for additional training and gained ideas to help with churches who are struggling in areas and may even be declining. Some churches in the future may need to have a replant or restart.

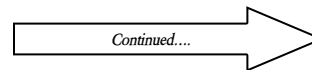

Please pray for our association as we seek to focus additional resources and helps for our local churches.
