Thanks to our Associational Missions Team who went to New York City during the first week in July. Our team worked through the New York Metropolitan Baptist Association in Manhattan. We rode the subway and train each day to the Gethsemane Baptist Church in Queens. Our team taught a Vacation Bible School at the Spanish Speaking Church. The children spoke English and they were a blessing to us each day. God blessed and did a wonderful work in our lives through this experience as several children indicated trusting Christ as Lord and Savior. We witnessed a great need for Christ in New York City. There are over 200 affiliated Southern Baptist Churches in New York City and the surrounding areas in the association and many of the churches are small. Please pray for the important work there. Our missions team were especially a blessing to me. I appreciate their sacrifice and hard work on the trip. They are hero's who love Jesus.

Rick Ellison

The Metropolitan New York Baptist Association (MNYBA) is a family of churches of diverse sizes, ethnicities, languages, and contexts that cooperate together to make disciples of all people. These churches meet in apartments, public schools, warehouses, renovated office spaces, rented facilities and various church buildings in a 75-mile radius from Times Square, a region of 22+ million.

MNYBA connects local churches for global impact by planting culturally and contextually appropriate New Testament Churches, raising up biblically trained, Kingdom-minded leaders, equipping churches to meet the spiritual, physical, social needs of people. We network with global partners to provide resources for evangelism, church planting, community ministry and volunteer missions.
