**AMAZING MISSIONS CONFERENCE
GOD BLESSED WEEKEND**

What an incredible response to our World Missions Conference. We truly focused on what God is doing from "Neighborhoods To Nations." I am very grateful for our Cooperative Program as a way of supporting missionaries around the world.

There was a great attendance and participation at the Missions Fair at the Orange Beach Event Center at the Wharf. We were blessed to have some of the most dedicated and spirit filled missionaries on this planet. It was wonderful to interact with them and witness what God is doing in our nation and around the world through them and Southern Baptist missions. The Missions Flag March was inspiring and the ministry displays were informative.

Thanks to Mike and Brenda Harris for preparing our prayer room and for leading us in prayer for missions. Thanks to our associational ministry leaders, associational staff, volunteers and our planning team for your service. Our planning team worked for a year in planning and preparation.

Two things were especially inspiring to me. First, we had the opportunity to minister to our missionaries. Most of them stayed at Camp Baldwin where there was energizing fellowship, sharing and meals together. Several of our missionaries shared how special this was to them. Second, it was wonderful to see our children participate in the missions fair. I attended the Sunday evening service with a missionary speaker at East Pointe Baptist Church in Spanish Fort. The children there were excited about missions and asked questions during the question and answer time.

I have heard great reports about the missionary speakers in many of our churches. Please continue to pray that we will be energized to pray, give and go to International, North American, Alabama and Baldwin County missions.

Thanks again for your great support.
