**HOW IS YOUR WELCOME?**

The population of Baldwin County grew more than any other county in Alabama according to the U.S. Census Bureau. (July 2017 Report) People of all ages are moving to Baldwin County because of the quality of life here. Housing and Apartments are being built everywhere. Houses are being sold throughout the county.

God has given us the golden opportunity to connect with people who are unchurched and need the gospel of Christ. As an association we will be working on ways to connect with newcomers to our county. The goal is to point them to our churches in their area. Ralph Rimmer is working with us on a strategy to facilitate the welcoming and connecting of newcomers and others to our churches. Watch for details.

God has given every church the gospel responsibility to reach the unchurched. What are we doing to connect with newcomers and the unchurched in our area? Do we have an inviting welcome to those who visit our church? Are we more than friendly and seek to be a friend ?

Did you know that many people who move to our county have difficulty making friends? Are you willing to be a friend?
