PARTNERING WITH PHOENIX

Some time ago I was invited by our North American Mission Board to be a part of a group that visited with a number of church planters in Phoenix, Arizona. Phoenix is one of our Southern Baptist Send Cities. It is a growing large population city that is one of the focus of our North American missions work.

Phoenix is currently the fifth largest, fastest growing city in America. The metropolitan area has a population that is as big as Alabama. A number of new church plants are being started there as it is estimated that the population growth will continue to grow dramatically in the future.

We are currently exploring some type of partnership where we would have mission teams go to help new churches in the Phoenix area. We plan for the first team to go in 2020. Please be praying for this effort.

Monty Patton the Send City Missionary for Phoenix will be the speaker for our "Taste of Missions" event at First Baptist Church, Loxley. Plan to be there to worship and hear a great challenge to missions and about what God is doing in Phoenix.

In Christ,  
*Rick Ellison*
