CORONAVIRUS

Our nation and indeed our world has been in the grip of the Coronavirus. Many aspects of our daily lives are being affected. With all of mankind's knowledge and scientific expertise our world has been deeply brought to a time of crises.

This is a time for our deepest prayers to God. God is still in control and He hears and answers our prayers. This is a time to pray for government leaders, health care workers and those seeking to find a cure. Let us pray for the elderly and those who are most vulnerable to this virus. Let us pray that many will see their need for God and turn to Him in this time of crises. Let's look for ways that we can encourage and minister to one another. May we draw closer and take care of our families as we have opportunity to spend this extended time together.

Please PRAY for our CHURCH LEADERS as they make decisions in regard to church services and other areas affected by the crisis. PRAY for our PASTORS and others as they minister and care in their congregations and to those around them.

If we can be of help from the associational office in any way please contact us (251) 945-5112.
Our prayers are with you.

Rick Ellison
