IN THE WORLD

Jesus told us in John 16:33, that in the world we would face "tribulation". This has been a year of challenges, difficulties and tribulation that has taken us by surprise. Our world seems to have suddenly changed. Yet, Jesus told us that he brings to his children "peace" and is the "overcomer." While we live in an imperfect world, God is still in control and His mighty power is the same yesterday, today and tomorrow. That is why we should pray fervently about all things.

I have also noticed in the most difficult times in my life that God continued to give to me everyday His blessings. Even with the pandemic and many other things happening in our lives and in our nation we must identify and thank God everyday for his love, kindness and blessings to us.

As an association of churches we currently face many challenges in these days of pandemic and difficulty. Please pray for our pastors, churches, and associational ministries. Pray especially for Camp Baldwin as they make major adjustments with issues related to the pandemic.

God remains near to us. Through Him as overcomers, we will find peace and move forward.
