### *A Special Season for Missions*

It hardly seems possible, especially with the extreme hot temperatures in Baldwin County, but fall is just ahead. In a few months we will also be in the holiday season. It will be a time not only for thanksgiving for God's blessings, but a celebration of the birth of our Lord and Savior Jesus Christ.

Typically in this season our hearts and minds are drawn toward missions and since my childhood, giving through the Lottie Moon Offering to support our missionaries around the world has been very special.

I am so very grateful for faithful mission giving from our churches that allows us to do mission's work right here in Baldwin County. In spite of the challenges of this unusual time we continue to do mission's work to reach our county for Christ through many ministries.

One of the areas we are currently focusing on is the development of a Spanish speaking ministry and the start of a new Hispanic church. We are currently seeking a full time pastor to lead in this work to a growing population in our county. Please make this a matter of much prayer that God will lead us to the pastor that He would call to this ministry.

Although we may feel more isolated, what a special time it is to spend time alone with God in prayer and reading the Bible and reflecting on His missions work around the world.
