*Celebrating Christmas*

What a joyous time it is to celebrate the birth of our Lord and Savior Jesus Christ. In a world full of pain we can still celebrate God's love for us through His precious Son. Jesus is the "overcomer of the world" and will always be victorious over life and death. We can rest in our hope in Him. We can be a part of His victories in the world.

Christ's birth calls us as believers to impact Baldwin County with the gospel and love of Christ. Jesus is light and He calls us to be the light to those around us.

All of the catastrophic events of 2020 caused us stress and sadness. However, these current days open the door to ministry and sensitivity toward the people of our county. People all around have needs and are open to receive the love of God.

At this Christmas season, I appreciate all those who minister to others with Christ's love through our association of churches and associational ministries.

In 2021, let's look for continued and new ways to minister to a world seeking answers and prayer for the work of the Holy Spirit in their lives.

May God bless you and your family during this special Christmas. Please don't forget the Lottie Moon Christmas Offering for International Missions.

Merry Christmas,  
*Rick Ellison*

**SOUTH ALABAMA**
