#### Weary in Well Doing?

Do you find yourself entering 2021 with a feeling of weariness? The current happenings in our world can exhaust us mentally and emotionally. We can become weary even in our own spirit.

Even the greatest spiritual giants in the Bible had times of weariness. The culture and happenings in their world brought them to despair, but ultimately to a faith and trust in God.

The Bible tells us not to become “weary in well doing.” To “faint not” and put our total trust in God. Even in distressing circumstances, God is at work to bring about His purposes. The Bible teaches us that the battle is the Lord’s. This brings us great hope in 2021.

We will be encouraged as we spend time with God in prayer and reading the Bible. The Bible tells us in Isaiah 40:29-31 as we are told in Galatians to “faint not.” When we wait upon the Lord, there will be a renewing of our strength.

It’s often difficult to wait upon the Lord but know God is in control. He is at work. We are to continue as an association of churches, brothers and sisters in Christ to serve the Lord. As we serve the Lord, let us be the salt and light by sharing the gospel love of Jesus. May we continue to trust in the one who has saved us and be a Christ-like example in how we live our lives in today’s world.

*Rick Ellison*
