THE COOPERATIVE PROGRAM SUNDAY This Sunday, April 25

I am very grateful for our Cooperative Program. By the giving of churches to missions through the Cooperative Program a church was started in the town where I lived as a child in Indiana. It was at that church that I learned about Jesus and trusted Him as my personal Lord and Savior.

The Cooperative Program is our unified plan for giving to missions and ministries as Southern Baptists through our individual giving to our local church. These funds are used to help support our missionaries in North America and around the world. Many of these funds come back to Baldwin County for a number of ministries, including starting new churches. I believe that God blesses our churches and us individually as we give to missions through the Cooperative Program.
