THE MIRACLE OF NEW CHURCH PLANTS DURING COVID

Despite the raging effects of Covid during the pandemic, when churches had to modify much of what was provided and attendance was low, there is something significant for us to rejoice about.

During 2020 Southern Baptists started 588 new church plants across the United States.

This demonstrates for us that in the most difficult of days that God is at work.

That His people are faithful in the work of the Great Commission.

In the face of Covid let our spirits never feel defeated, for God continues to do great things.

To God be the glory.

Rick Ellison

Local Collection Deadline:
December 10, 2021

We are happy to announce we are partnering with Alabama WMU and the MS River Ministry to provide backpacks to children in the Golden Meadow, LA area, which was hard hit by hurricane Ida. If you would like to participate in the distribution on December 18, let us know.

Be in prayer as the children and their families are presented with the plan of salvation on that day.

Our hope is that each of our churches will fill just one backpack and bring to the office by December 10. If your church is able to pack one or more backpacks, contact Angie Estes at 251-945-5112 or office@baldwinbaptist.com with the gender and age group you have chosen. She will send you more information. This church specifically asked that a fleece blanket be included in each backpack.

**Mark Your Calendar:
CHILD SAFETY WORKSHOP**

Happy Thanksgiving!*

PIES FOR PRISONERS

We are unable to take pies to the Loxley Work Release Center this year, but want to encourage you to participate in an alternative ministry.

Please contact your local first responders to see if they would allow you to bring pies to share with their families this year.
