**A CRITICAL NEED
FOR THE NEW YEAR**

As we begin a new year, I am reminded that I often hear of a critical need in our association of churches.

That need is for part time music/worship leaders for worship services, as well as leaders to oversee youth or children's ministry. These may be paid positions but God's reward in service is far greater.

I believe that God continues to call out people to these ministries. They are critical to a church's growth, health and future.

If God has gifted you in one of these areas and you have a God-called willingness to serve, please contact me at the association office for more information 251-945-5112.

If you are in need of more training or someone to mentor you, I will be glad to direct you to the right sources.

Please pray that God will call out leaders in these areas to His harvest field in the days ahead. Jesus told us that while the harvest is plentiful, the laborers are few. Let's pray that God will call out those He has gifted to these or other areas of ministry.
