

**January 20, 2022**

A major 2022 focus and theme of the Baldwin Baptist Association is.....

**"BECAUSE THEY HAVE NEVER HEARD"**

We will be praying for God's open door for those in our world who have little or no access to the gospel. We will be focusing on and praying for specific groups of people to have access to the gospel.

Our International Missions Board relates that there are "3,150 unengaged, unreached people groups," and that an unreached people group is "when there is less than 2 percent evangelical Christians." It is also worthy to note that there are unreached people groups who have migrated to North America. While there is plentiful access to the gospel in Baldwin County there are many who never hear the gospel, perhaps even living next door.

What does all this mean? It is estimated that of the 7 billion people in the world, that over 3 billion have little or no access to the gospel.

The good news is: there is power in prayer. Could God use the fervent prayers of the people in the Baldwin Baptist Association of churches to open doors for missionaries and the gospel to become accessible to these people God loves? I believe that God certainly can and will because of the mighty power of the Holy Spirit at work in our world.

During 2022, we will be focusing on the unreached and unengaged people who need Christ. At our Annual Gathering on October 15, 2022, there will be a mighty presentation and prayer for God's open door for the gospel. We will hear from an International Missionary who has a dramatic testimony. We will see a media presentation on what is happening in our world of the lost and unreached.

Could God use us as Baldwin Baptists to open doors for the gospel as we unite in fervent and specific prayers? Could God use your church in that way? Could God use your mission's group in that way?

GOD IS ABLE AND YES HE CAN.
