BECAUSE THEY HAVE NEVER HEARD

According to our International Mission Board, "25% of the world's languages are without scripture." In other words, 25% of the languages in the world have not had the scriptures translated into their language. There is no Bible in their language. While it is encouraging that hundreds of translators are at work, let us pray for the Bible to be translated into these languages and that many will be saved.

When the Apostle John looked into future eternity he saw...

"After this I beheld, and, lo, a great multitude, which no man could number, of all nations, and kindreds, and people, and tongues, stood before the throne, and before the Lamb, clothed with white robes, and palms in their hands:"
John 7:9 (KJV)

Let us pray for God's open door and for His Word to touch the hearts of people in the nations as they turn to God for salvation.

Think about our own county for a moment. Hundreds of new homes are being built with thousands of new people moving to Baldwin County. People from everywhere want to live in Baldwin County. Have you welcomed any of these and invited them to your church? Perhaps some of these do not have a Bible. Do you have family, friends or neighbors who might not have a copy of the Bible? What a wonderful, thoughtful gift to give to another.

There is mighty power in God's Word. Let's share it.
