HISPANIC MINISTRY GROWING

God is at work in our association as we seek to reach the Spanish speaking population with the gospel.

We have started a new church work meeting at Daphne Baptist Church. Pastor Ramon Vielza is serving part time as pastor and is working in partnership with our Alabama Baptist State Board of Missions to build a network of new Hispanic churches across the gulf region. This new work is doing well.

We also have two existing Spanish speaking churches of like faith, who have petitioned to join our association. Our Executive Committee has voted to put them under the watchcare of the association until such time as they are voted as a member of the association. We will be working through a process with them in partnership with our State Board of Missions.

Please pray for Pastor Ramon as he leads in this ministry effort. He is a gifted leader and a great man of God.
