**GOD'S TRANSFORMING POWER THROUGH
SUNDAY SCHOOL/SMALL GROUPS**

There are many amazing benefits of being in Bible study through Sunday School or Small Groups. The Holy Spirit is at work as we study the scriptures together. For younger children it is basic Bible concepts and facts such as "God is love." As children grow older, they begin to understand more about God and the Bible and the significance of the cross. They are in the process of developing a Godly world view.

As we grow older something special also occurs as we study God's Word with others. God is active as we study and discuss the scriptures. The Holy Spirit makes applications to the scripture in our own hearts and minds. We may learn scripture today that might come back to our minds 10 years later as we make moral and other life decisions.

As we study the scriptures God does spiritual surgery on our hearts, minds and spirit. We are strengthened as a learner and grow as a Christ disciple.

Sunday School and Small Groups make an enormous difference in our day to day lives and strengthens the church spiritually for the future.

Prayerfully,

Rick Ellison
