CHRIST'S CALL OUR FOCUS A GREAT URGENCY

Baldwin County has experienced massive population growth over the past 10 years. Along with the thousands of people who already lived here, there is a significant number of people who have never trusted Jesus Christ as their personal Lord and Savior.

While every major city in our county has experienced some growth, many explosive growth, there are scores of people who have never come to a personal relationship with Christ.

The Covid era has turned our attention to many things. As believers in Christ, and as an association, we must have a laser like focus on sharing the gospel. It must be our priority. It must be the passion of our heart.

As we plan toward the future, our focus must be on how to share God's saving power to everyone in Baldwin County. This must be the priority of our associational ministries and the cooperating work of our churches. As we pray, what strategies can we use to present the gospel? The Holy Spirit is always faithful in His convicting power as we share.

Our associational theme this year, and in the months to come, is "Because They Have Never Heard."

We must be aggressive as we lovingly care for people and share the good news that Jesus died on the cross for our sins. This begins in Baldwin County and as we support the sharing of the Gospel around the world.
