THE BLESSINGS OF CHRISTMAS

At the Christmas time of year we are reminded of the blessings we have through the blessed birth of Jesus Christ. We are living in a troubled world but our hope and blessings are through our personal relationship with God. We are reminded in this season how God has loved us and made provision for us in the past and now and how He will be faithful in caring for us in the future.

At this season we think about our relationship to God and our commitments to Him for a brand new year. I am blessed every day as I read the Bible and God speaks to me through His Word. I am also blessed as I pray to God and tell him every day that I love Him.

As we celebrate Christmas and begin a new year, I pray that you have that wonderful time and place set aside to spend time with God each day. He loves you so very much and we miss out on loving Him when we don't spend that quality time with Him. I pray that you will take the time to tell God how much you love Him and thank Him for His blessings in the days ahead.

CUBA MISSION TRIP

Pastor Yuniel Cruz

The purpose of our trip was to visit the most affected communities and churches in the province of Pinar del Rio. The main objective was to bring hope to our brothers and sisters.

We shared words of hope and prayed with them. We (prepared bags of supplies) and left in each church so that the pastors can help the community according to their needs. We bought 800 pounds of rice and oil, as well as four pigs that were divided into pieces. We had the opportunity to see people who had lost everything and had no electricity, water, or food. Our team arrived at just the right time to bless them and provide food to more than 1000 people. We visited 10 churches in total. All this was possible thanks to your help. We are very grateful for your love and kindness toward this mission and for our brothers and sisters in Cuba. May our God bless you abundantly and together may we continue proclaiming his love.
