JESUS CALL TO CARE

Jesus has called us to love the Lord our God with our entire being. He also taught that we are to care and love others with a Godly love.

This is not only true of loving people who need Christ by sharing the gospel, but it is also true of caring, ministering, and loving our brothers and sisters in Christ with a Godly love. This is true when it comes to loving our fellow church members. The New Testament has much to say about loving our brothers and sisters in the faith.

As I visit the churches of our association, I am encouraged about how members of our churches pray for those who are ill, homebound, in nursing facilities and in need. Deep prayer and sincere ministry is prevalent everywhere in our churches. That kind of loving care strengthens a church.

Our association will only be as strong as the Christian love that is practiced in our churches. Thank you for the evident Christ-like love that makes a difference in people's lives.

Director of Missions
