THE GOSPEL PROJECT

Baldwin Baptists have currently been engaged in one of the greatest outreach efforts in our associations over 108 years of history. Several of our churches distributed the Jesus Film DVD, gospel tract and an invitation to their church for Easter. Our churches have taken about 42,000 DVD's and materials and are distributing the gospel message and church invitations door to door throughout our county. Some may distribute these materials also after Easter with information about their church. We thank God for those who are faithful in taking out the gospel to the communities of our county. In addition, there are many other outreach activities and approaches by the churches in our association to reach out in their communities with the love of Christ. Thank you for your faithfulness.

DISASTER RELIEF

Thanks to all of those on our disaster relief team who went to the Florence area in northwest Alabama. Let's continue to pray for those who have been impacted by the tornado damage.
