**THE BALDWIN BAPTIST FOUNDERS
STRENGTHENING THAT VISION**

109 years ago, men and women of faith in Southern Baptist Churches in Baldwin County, had a vision of working together to do the work of the Great Commission. They had a passion to witness people being saved and discipled and worshipping God in our county. They had a vision to work together to win Baldwin County for Christ.

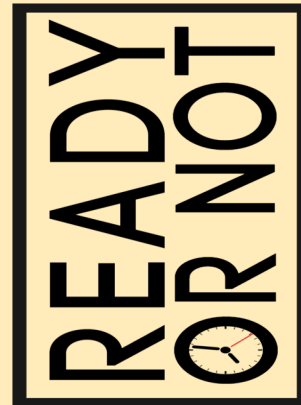

Our county is the fastest growing in Alabama. The mission field is growing at incredible rates. We have a golden opportunity to share the gospel. God has given us a tremendous open door.

Through these over 100 years new churches have been started, ministries developed both in the churches and through our association. Our association has grown dramatically meeting spiritual needs through many generations of change and challenges.

However, in the midst of all those changes, we must not lose the vision of our founding churches. We can do more together for the cause of Christ than any of us can do by ourselves. In the immediate future we will focus on how we can connect with one another in a greater way.

Let us encourage and strengthen and help one another as we seek God's leadership through prayer and plan for exciting days in the future.
