**SAMFORD UNIVERSITY  
MINISTRY TRAINING INSTITUTE**

The Samford Institute is coming back to our association. The "Ministry Training Institute is a non-degree program of quality biblical, theological, and practical ministry that equips ministers and lay leaders for service for God."

Plans are for the Institute to begin in January 2024, at the Blackburn Center located next to the associational office. Pastors Josh Vance, Stapleton Baptist Church and Brad Baxter, First Baptist Church, Loxley, will be leading and teaching at the Institute.

There are many great studies of books of the Bible, doctrinal and apologetic topics. These courses are excellent for anyone who teaches God's word including in Sunday School, small groups and discipleship studies. They are excellent for anyone who has the desire to serve God.

Please watch for more details. I look forward to what God will do through this time of equipping.
