ALABAMA BAPTIST PUBLICATION CHANGE

We look forward to sharing Baldwin Baptist Association news on the back page of the Alabama Baptist each week. There is a change in that the Alabama Baptist will be published every other week beginning with the January 11th edition. We will continue to print our news on the back page of each of those publications. We are also looking at new and additional ways of sending the information to our churches. We will be sharing that information soon as it is being developed. This will be an opportunity to explore new ways of communication about the many great things that are happening in Baldwin Baptist Association.
