BALDWIN COUNTY MISSION FIELD

All across Baldwin County new homes are being built. Many of these are new subdivisions with hundreds of homes. It is not unusual to see land being cleared, infrastructure being put into place and construction in progress.

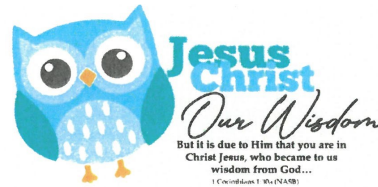

As we consider Christ's command to the Great Commission are we aware of new people moving into our church area? Are we praying for these who are new? How will we connect with them and invite them to our church?

Please be aware of new homes near you and how you can minister to the people moving in there.
