GRATEFUL TO GOD

I have much to be grateful for as I begin my 12th year of ministry as Director of Missions. I am blessed to serve in an incredible association of churches and with great staff and ministry leaders. I am fortunate to be able to meet and work with so many wonderful and Godly people. You have blessed me and my family in so many ways.

We have challenging days ahead as an association. I am grateful that these are good challenges. Baldwin County is projected to be the fastest growing county in Alabama for many years to come. The mission field is literally coming to us. What a wonderful opportunity we have to share the gospel and to see our churches discipling and ministering to a multitude of people.

I am excited about what God is going to do in the future and how He is going to bless our association of churches and ministries.

GRATEFUL FOR ANGIE ESTES

Angie Estes will be leaving our office to serve in another workplace. Angie has been a blessing to our staff and to our association as well. No one has a greater heart for missions than Angie. She will be missed by our staff.

Angie will continue to serve as volunteer leader with our WMU and Women on Mission. We wish her and her family God's many blessings in the days to come.

Director of Missions
