DISASTER RELIEF

Let us continue to pray for those who have been impacted by the recent storms. I am very grateful for our associational disaster relief team who is serving in South Carolina. Some of our churches have taken supplies to the affected areas. Our association of churches have prayed for those who have faced hardships and have contributed in many ways toward the relief efforts. I am grateful for our Southern Baptist Disaster Relief network who has responded in many ways. I am also grateful to Samaritan's Purse and other Christian organizations who have also responded to many needs. Please especially pray for those still in danger. Please also pray for the safety of many who are working in these areas as well as the churches who have been impacted.

October 20 is Day of Prayer for Associational Ministries
