DISASTER RELIEF

Thank you to Steve Brooks and to all who serve in our associational disaster relief ministry. The Executive Committee has approved our purchasing a new disaster relief truck that can haul heavy equipment. Thank you to everyone who contributed to the fund to make this purchase possible. We greatly appreciate your generosity. This has been a year of many disasters. We appreciate those who have served and given of their time and hard work to help those who have been impacted by the storms. Please continue to pray for our disaster relief volunteers.
