The messengers at our last annual gathering approved setting up a special fund to purchase a newer, updated truck for our disaster relief team. Our disaster relief team is being called out consistently, and a new truck would be of great benefit in their work. Our current truck is a dually and the new truck will need to be one as well, able to haul a trailer and heavy pieces of equipment.

Should we receive more funds than are needed to purchase the truck, the remainder will be placed in a designated account to purchase future disaster relief equipment. If you would like to make a contribution toward the purchase of this truck, please send your check by March 1, marked for DR TRUCK.

We appreciate our dedicated disaster relief volunteers who have continued to serve most recently in the areas affected by Hurricane Milton and Helene. Thank you for your support in our disaster relief efforts. Please continue to pray for those who have been impacted by the storms and for our volunteers who faithfully serve.

Rick Ellison
Director of Missions
