Hello Women's Ministry and WMU Leaders!
Praying your summer is going well. I know this is one of those times of year when ministry tends to slow down. However, if your ladies are interested in doing a Bible Study and are having trouble finding one that fits into their schedule, there are many online options available. If you want a list, please contact me at tazmazl@yahoo.com or contact the Association Office and we will forward that information to you. Also, if you have not received any emails from me, please let me know so we can verify your contact information. We are here as a resource and encouragement for you, and if you have any upcoming events you would like to see advertised, we can help with that, too.
